To Whom it May Concern:

Dear Sir/Madam:

In September of 2011, we were fortunate to bring "An Israeli Love Story" to the National Arts Centre in Canada's Capital, Ottawa.

From the moment I saw the performance in Israel the previous year, I fell in love with the one-woman show. In a partnership between the Vered Israel Cultural and Education Program, the Jewish Federation of Ottawa and the Embassy of Israel, An Israeli Love Story was brought to Ottawa and was well received with the two evening performances sold out.

The story which highlights Israeli events in the summer of 1948, relates the history of the time. Although it is an Israeli story it has international interest. It was a wonderful and heart touching story brought to life by Adi Bielski.

It was a truly a pleasure and a rewarding experience to be involved in bringing this play to Ottawa.

Yours very truly,
